

TREATY OF MUTUAL RECOGNITION
between the
GRAND DUCHY OF AUSTRALIS
and the
KINGDOM OF WATERSIDE PARK

Written on August 23rd, 2021

The two parties to this treaty of mutual recognition, the **Grand Duchy of Australis** and the **KINGDOM OF WATERSIDE PARK** agree to the terms set below and will strive to follow them at all times.

Article I - Recognition

The parties to this treaty agree to mutually recognise one another as free and independent sovereign nations.

Article II - Land Claims & Culture

Both parties agree to recognise the land claims of each party as valid, and agree to not claim these areas as their own. Furthermore, both parties agree to recognise and respect their cultural traditions and symbols.

Article III - Representatives

Each party agrees to appoint at least one individual responsible for maintaining a diplomatic channel between the parties and representing their party

Article IV - Replacement of Representatives

Should an appointed representative from a party act in a continually unprofessional manner, or should personal relations break down between the two appointed representatives, a party holds the right to request a different representative from the other party.

Article V - Micronational War

Should one of the parties choose to declare war on another nation, this treaty shall be reviewed and it will be evaluated whether to annul the treaty or not.

Article VI - Publicity

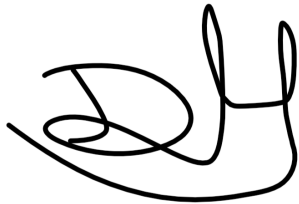

Both parties agree to make the signing and ratification of this treaty public at a time of their earliest convenience.

Article VII - Ratification & Annulment

This treaty shall come into full force upon its ratification by both parties through their respective processes of ratification. This treaty is not bound by time, and shall remain in force until one or both parties unratify this treaty, or one or both parties cease to be active, or if one or both parties dissolve.

Signed,

For the Grand Duchy of Australis,

HRH Daniel I
Grand Duke of Australis

For the Kingdom of Waterside Park,

Larry Martin
King of Waterside Park
